

Steeline "SW" Series Single and Double Door Type 4 & 4X Wallmount Enclosure (Quarter Turn Latch)

Material:

Sheet Steel or Stainless Steel 14-16 gauge
12"H x 12"W - 24"H x 20"W 16ga. Body / 16ga. Door
24"H x 24"W - 36"H x 24"W 16ga. Body / 14ga. Door
36"H x 30"W - 42"H x 32"W 14ga. Body / 14ga. Door

Finish:

Housing and door are Carbon Steel, 304 / 316L Stainless Steel
ANSI 61 Gray powder paint (smooth or textured) or #4 brushed finish
Mounting Panel (optional)

Protection Ratings:

UL / cUL Type 12, 13, 4, and 4X
UL File Number: E158158
IEC 60529, IP66
Type 12 2-Door - IP 55

Configuration:

Single door UL Type 4
(UL Type 4X Stainless Steel only)
Mounting Panel 12ga
Double door UL type 12
Door left hand hinge to open 180 degrees
Quarter turn latch insert are flush slotted inserts
Single door enclosure less than 20" high has one ¼ Turn Latch
Single door enclosure 20" - 36" high have two ¼ Turn Latch
Single door enclosure greater than or equal to 36" to have single handle three point latch
Double door enclosure greater than or equal to 36" to have single handle three point latch
Bolt on Wall mount Tabs (Kit)

Detail Drawings:

www.steelineenclosures.com

Accessories:

Optional MPL (Carbon Steel, Stainless Steel, or Aluminum)
Wall mount Brackets—**SWMB, SWMBSS6, SWFKS, or SWFKSS6S**
*reference last page of this specification Sheet.
Window Kits
Climate Control options (Fans and Louvers or A/C)
Dead Front Kits
Leg Stand Kits
Lighting Kits

Modification Service:

Optional modifications per customer specification
